Commissioner of Patents

The reply filed on April 5th, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

- Claim 5 is incomplete and is not the same as the marked-up version of claim 5.

The substitute specification does not contain the appropriate SEQ ID NOS and therefore does not comply with the requirements of 37 C.F.R. 1.821(d). A new substitute specification should be submitted including the appropriate sequence identifying (SEQ ID NO) following each recited sequence.

The specification does not include a section titled, "Brief Description of the Drawings" (as required in the previous office action), which should be included in the specification after the section titled, "Summary of the Invention".

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
